WE BUILD TO LAST

SGS

ABOUTUS

9Degrees, located in KSA, specialises in the Engineering construction , And supply scaffolding & formwork, building materials , And engineering designs.

Our company has attracted human expertise and competencies specialized in this business

This is to understand the needs of the local market and meet the requests of our customers and the procession of urban development in the Saudi market and the procession of future visions.

HOW WE ARE EVOLVED

Our company has developed by providing supply chain services to our customers and adhering to several factors :

 **HIGHLY EXPERIENCED**
HUMAN RESOURCES

 **RESPECT**
OUR CUSTOMERS' TIME

 **QUALITY**
VS **PRICES**

 **UNIFIED STANDARD**
FOR OUR WORK

OUR COMPANY STORY

9Degrees has been able to compete with the largest companies in its field within a record period of time

“AHA!” MOMENT.

We have been able to solve the biggest problems that guide our customers in providing many services at the same time in the field of industry, contracting, building and finishing materials, and logistics

OUR COMPANY STORY

OUR COMMITMENT TO EXCELLENCE

At 9Degrees, our unwavering commitment to excellence is the driving force behind everything we do. We understand that choosing the right partner for your Supply chain is crucial and that's why we go above and beyond to deliver exceptional service. Our team of highly skilled professionals takes pride in meticulously planning and executing ensuring they align seamlessly with your business goals.

OUR COMMITMENT TO BUSINESS

In all our endeavours, our pledge is to offer our clients materials, planning, project management and transparency, infused with unwavering integrity

OUR COMPANY STORY

OUR CORE VALUES

We measure our success by the smiles of satisfied clients, pushing the boundaries to achieve of customer contentment

OUR GOAL

To be the first choice in addressing the requirements of our customers' To deliver prompt and efficient service that leaves our clients inspired by our timeliness.

OUR TEAM

Our team is comprised, engineers ,highly skilled professionals with a wealth of experience in the field. They follow our company's guidelines, enabling them to consistently align client expectations with top-notch service delivery, thus adding exceptional value to every customer.
